There are 2,000 chickens on the place that have to be kept supplied with feed and water and he gathers from a thousand to 1,200 eggs daily. Mrs. Aggen assists with the candling and the sorting of eggs. That is she operating the candler in the lower picture. Above is Mr. Aggen gathering eggs in one of the hen houses. Mr. Aggen has been in the egg business for three years. He began after taking a six-week's course in poultry production and marketing at a workshop conducted by the University of Illinois college of agriculture at Kankakee. He markets eggs wholesale as well as retail and they are always fresh.

High Winds Wreck Power Lines, Buildings, Trees

High winds, heavy rains and some hail made the past week-end a memorable one.

The lashing fury of winds that reportedly reached a velocity of 95 miles an hour, ripped roofs, damaged homes, broke and uprooted trees, and snapped power and telephone lines, was quite costly. There was no loss of life however, nor anyone critically injured.

Besides the damage to homes and the loss of tons of foodstuffs lacking refrigeration, there was serious loss reported by farmers because of crop damage. The Public Service Co. and Illinois Bell Telephone Co. found the storm to have been terrifically expensive. It was estimated that the damage in the area exceeded \$500,000.

Extra crews of repairmen, many of them called from other sections of the state that escaped the storm, were brought into the area by the power and telephone firms. Wages for these crews is said to have run over the \$200,000 mark.

The major damage appeared to have centered in an area about 25 miles square, extending from Minooka, west of Minooka in Kendall county to the Frankfort and Mokena area, and from Lemont to below Wilmington.

Orland Park, Mokena, Frankfort, New Lenox were all hard hit. Tinley Park also felt the effects of the storms. Several roofs were damaged in Arbury Hills and there some young trees which can usually bend to the ground without damage,

were uprooted. Roofs were also damaged in area towns by falling tree branches.

There were some trees uprooted in all the villages of the area, Orland Park, Mokena, Frankfort, New Lenox and Manhattan but most of the damage to trees was in the form of broken limbs. Most of the streets were covered with tree branches and in numerous instances firemen, police and volunteers turned out to clear passageways thru the debris filled streets. The sound of power saws was heard thru the night and the next 36 hours as repair crews and householders worked to bring order to the area.

The storm hit around 7:15 Friday night. High winds, of tornadic quality, whipped the area for about 25 minutes. There were people who reported having seen funnel-shaped clouds but there was no verification of a tornado having hit by the weather bureau.

West of Joliet the Federal Aviation Agency reported gusts of wind up to 65 miles an hour. The wind gauge at radio station WJOL on the east side of Joliet registered wind velocities up to 95 miles an hour. There were no instruments in this immediate area to give the wind velocity but the people there were willing to accept practically any high figure.

Driving rain accompanied the wind—great gray blankets of clouds stretched from the sky to the earth—so thick that at intervals it blotted out all view like heavy fog and

motorists caught in it were almost helpless for lack of visibility.

An 8-year-old Mokena boy, Bradley Burton, son of Mr. and Mrs. Earle J. Burton, 1 N. Edgewood, suffered cuts when a falling tree limb smashed the windshield of the car in which he was a passenger on Cedar road. The car was driven by his father. He was one of 25 persons treated at Silver Cross hospital Friday night as a result of the storm.

It was estimated by Public Service officials that approximately 150,000 customers were without service in the Chicago area and of this number about 10 per cent were in the Joliet district. Some places were without power for approximately 48 hours. At the peak of the trouble the power company had 700 men at work in the field and the telephone company had all available crews battling with the problem of restoring service to some 8,000 customers. By Monday morning service had been restored to all but 300.

At Orland Park the gravel and pitch roof covering the swimming pool at Sandburg high school was peeled off by the wind and a number of windows broken out in the school. The new Stagg high school also had windows broken. The damage at the schools was estimated at \$100,000.

Between Friday night and Sunday morning approximately two and a half inches of rain fell in the area. Some underpasses, including the

Bi-Partisan Political Effort

Get 1.02 County Tax Multiplier

A tax multiplier of 1.02 for Will County was announced Tuesday by the Property Tax Division of the Illinois Department of Revenue.

It had been anticipated that a higher factor would be set by the Department of Revenue, since the Will County Board of Review had reduced assessments set by County Treasurer Leo Waldvogel.

Through the cooperation and work of Waldvogel, Chairman Edward Liberty, Jr., of the Board of Review and Republican County Chairman Thomas Feehan, the assessment solution was worked out.

Partisan politics were set aside so that County and State Officials could work out the best

possible solution to one of the most difficult problems besetting elected officials in Will County.

Effectively, this raises the assessments submitted to the state by the Board of Review by two per cent.

The final valuations will now be available to County Clerk Clara Hartley Woodard to establish the rates for various taxing bodies. When this work is finished the IBM section runs off the tax bills and the books for the treasurer's office, and the bills are sent out.

The Will County Board of Supervisors has already moved tax payment deadline up from June 1 to Sept. 1, which is the regular date for payment of the second installment of real estate taxes.

Mokena To Vote On Bonds To Improve Water System

A special election has been called for Saturday, July 11, by the Mokena village board, to obtain voter approval of a required waterworks improvement program.

The election will be held from 6 a.m. to 6 p.m. at the village hall. All properly registered voters are eligible to vote at the election.

Mokena's waterworks system, originally constructed more than 60 years ago, has been in need of repairs and improvement for some 20 years. Due to the age of the system and the area's recent growth, fire fighting capabilities are seriously restricted and no improved services may be offered its customers.

The proposed waterworks improvements consist of the repair and modernization of existing elevated storage tank and pumping facilities, to eliminate future shut-down of the system for emergency repairs; the installation of a state required water purifier; the installation of a master meter, to aid in locating costly water leaks; and the construction of approximately 1.85 miles of new 6" and 8" mains, to better serve both present and future requirements of the village. The improvement program would be financed with an issue of \$85,000 water bonds. The bonds would be sold at

about \$9 per year (75¢ per month) on a home assessed at \$6,000. The village board notes that this cost should decline in future years as the value of homes, shopping center, and businesses is added to the tax rolls, or as fire insurance ratings improve.

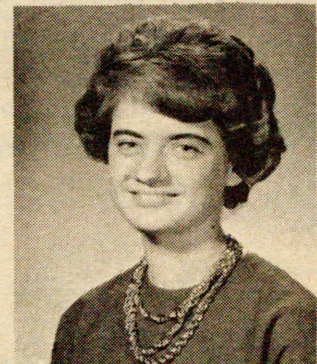

If approved by the voters, the recommended program would provide for the construction of all urgently needed repairs, fire protection would be increased, and the new mains would permit greater water pressure and generally improved water distribution.

In addition, the village's chances of obtaining a better fire insurance rating would be enhanced, with fire insurance costs lowered accordingly.

The bonds issued to finance the program would result in a tax increase averaging about 15¢ per \$100 of equalized assessed valuation

among the streets along which new mains are to be constructed are: Wolf road, from First street to approximately 600 feet south of LaPorte road; First street, between Wolf road and Midland ave; and various sections of Center, Division, Midland, Parker, and Union streets, Revere road and Walsh lane.

File Liens To Collect Orland Water Bills

Five households in Orland Park are having their waterless days now, unless they have been in to pay their bills—long delinquent—this week.

Trustee Mel Doogan, head of the water department, produced five liens at the village board meeting Monday night and turned them over to Village Attorney Raymond Pieper for filing against the properties involved.

The policy of the village board is to shut off water service and file liens against the property when water bills are left unpaid after ample notice has been given. The delinquencies, it was said, have taken a sharp drop.

Will Sound

Practice Alert

At Orland Park

Beginning Tuesday, July 7, and the first Tuesday of each month thereafter, the Orland Park volunteer fire department will sound an attack alert as a part of the civil defense program, it was announced this week by Fire Chief Arthur Granat.

The alarm will be sounded at 10:30 p.m. Announcement is being made, Granat said, so residents are warned and will not be startled. The alarm is one steady blast of the siren, a full 60 seconds in length, followed by a minute-long warbling blast and ending with another steady blast, a minute in length.

4-H'ers Compete In Judging Contests

Two Will county events held recently, was the 4-H vegetable selection and judging contest and the 4-H horse judging contest.

Nineteen 4-H members took part in the vegetable selection and judging contest at the DuPage county fairgrounds. County 4-H vegetable judging team members selected from the contest results were: Stephen Stauffenberg, Manhattan; Anita Jackson, Manhattan; Dale Cooper, Manhattan; Mary Jean Novy, Wilmington; Ron Arnold, Monee; and Bill Francis, Wilmington. J.S. Vandermark, horticulture specialist, University of Illinois, served as official judge for the event.

Nine 4-H clubs were represented at the vegetable selection and judging event: Florence Blue Ribbon, Green Garden Go-Getters, Jackson Champions, Monee Clod Busters, New Lenox Hayshakers, Plainfield Boots & Saddles, Prairie 4-H, Wesley 4-H Hustlers and Wide Country 4-H.

At the 4-H horse judging contest, thirty-one 4-H members judged two classes of western type horses and participated in a "Handling the Horse" and "Anatomy and Soundness" contest. Six

4-H youngsters were selected as members of the county's 4-H horse judging team. Team members this year are: Jill Valy, New

Lenox; Gary Failing, Joliet; Charlotte Marchbank, Lemont; Gary Heusner, Peotone; Amy Goodwin, Lemont; and Jean Valy, New Lenox.

Junior At Sandburg Gets Job As U.S. Senate Page

U. S. Sen. Paul H. Douglas (D.) has announced the appointment of a Carl Sandburg junior as one of the 26 senate pages. He is Ronald Stone of 9141 S. 89th ave. Hickory Hills. Stone, son of Mr. and Mrs. Ralph Mattson, has already begun his work at Washington, D. C.

There are 80 pages in the legislative and judicial branches of the government, with 26 in the U. S. Senate. They must be between 14 and 17 years of age and continue their education while performing their duties.

As a page, Stone's day will begin at 6:30 a.m. when his first class at the pages school meets. He will stay in classes until 9:45 a.m.

After class is dismissed, a senate page reports to the cloakroom to which he has been assigned. He files the Congressional Record and the Calendar of Business for each day on the senators'

desks, together with bills, resolutions, documents, and reports that may be before the senate.

While the senate is in session, the pages serve as messenger boys, carrying material between the senate chamber and senators' offices or committees.

The pages have a long history. In a report to the 27th Congress from a select committee, the following comment was recorded: "... from the first session of congress held at the city of Washington, they (pages) have continued to be employed with the approbation of the house."

Thru the years their duties have varied with the times. Earlier pages, because communication with the executive departments was difficult, were equipped with ponies and mail pouches. Later, pages on old-fashioned high-seat bicycles delivered telegrams.

The 4-H horse judging contest was held at Mr. and Mrs. Glenn Valy's Hawthorn Acres Farm, New Lenox. The Valys provided the two classes of western type horses for the contest.

Dr. Neal Lusk, Crete, and Dr. G.E. Sedlacek, Plainfield, served as official judges for the event.

Four local 4-H clubs were represented at the 4-H horse judging event: Homer Fire Flies, New Lenox Bronco Busters, Peotone Pep Pushers and Town Hall Blue Winners.

ners.

The 4-H vegetable judging team will represent Will county at the state 4-H contest at the University of Illinois on June 30. At the present time, there is no 4-H Horse judging contest included in the state 4-H judging meet.

Fourth Of July

Another 10 days and the nation will again celebrate its birthday.

The traditional Fourth of July our fathers and their fathers knew has largely gone from the land. Fireworks, except for organized, directed displays have been widely outlawed on grounds of safety.

Also mostly gone are the orations, once commonly held in town squares and fairgrounds in which leaders in government and enterprise paid their tributes to those who founded the nation, and who gave us the powers of mind and spirit which made possible the maintenance of our freedoms and the creation of material abundance.

These orators, it must be said, were often naive and flamboyant. But still, there was a profound merit in what they said and meant no matter how inept the choice of words might have been. They did paint a picture of the American ideal, the American philosophy, the American tradition. And even those who stayed but briefly to hear them felt stirrings of pride in our heritage.

All this is gone, or generally

so. The Fourth has become just another holiday. And something vital, something that was at the heart of things has gone out of American life.

It needs to be restored if we are to save this nation from lethargy and cynicism within, as well as from our enemies without. And it can be--if, on this and every Fourth, we give a quiet moment to reflecting on the values our forbearers bought for us with blood and treasure. We must determine to do all we can to defend those values and pass them on, untarnished, to our children and our children's children.

We are, therefore, thankful that in our area the spark from the past is still kept aglow at Marley. On the Fourth of July the Men's Brotherhood of the Marley Community Baptist church sponsor a community picnic and celebration that includes family gatherings and speeches as well as games and fun for the youngsters.

Held under the trees in Haley park the affair is a throwback to early days and is open to the public.

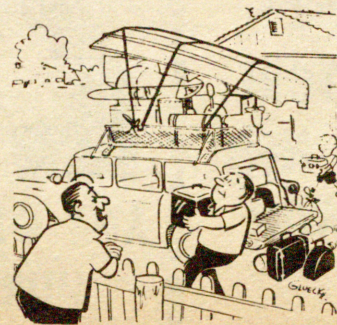

outfitting the army, which should give him a handsome profit indeed, because spears should be cheap--if not on the island itself then surely in Hong Kong.

THE BEAUTY about getting in on the foreign aid gravy train is that one can get at it without any obligation. When Uncle Sam is dealing with his local subjects and taxing bodies he makes it clear that when he puts money into a proposition he becomes the boss.

But not when it comes to foreign aid, Uncle Sam may suggest that it would be nice, and he would take it right kindly, if the government or nation he is helping would do a favor for him but if the recipient thumbs his nose at Uncle Sam and suggests in turn that uncle go jump in the nearest lake, uncle doesn't become angry or even irked.

It would be much cheaper on the taxpayers if Uncle Sam did jump. Instead he runs to the treasury and then rushes back with a couple more boxes of money which he begs the recipient to accept. To date uncle has spent a lot of money but has failed to buy much friendship.

One may ask why one should sock Uncle Sam to support him on a South Sea island. Living costs are quite small and there would be no great need of ready cash. Of course, tho, one can't tell how long Uncle Sam may go along paying out foreign aid. Therefore, it would be well to have a bundle in reserve in case one was cut off. and he had to start paying taxes again. As we understand it one doesn't pay income tax on foreign aid. one just pays it to provide it.

"Planning a trip?"

ON 2nd THOT

By Glenn Logan

DO YOU OWN an island in the South Seas or maybe have friends who do who would be willing to let you stay there under a long term lease?

I understand that the climate in those parts is quite pleasant and the cost of living low. The natives are reported to be a friendly, neighborly people and the item. . . Long Pig. . . is seldom listed any more among the entrees of tribal menus.

But even if there might be a little cannibalism here and there--what the heck--we should be used to it, at least figuratively speaking. Few persons go thru life without being chewed out from time to time. Just hope that in the rat race we find ourselves and we don't meet worse than cannibals.

THE REASON for plugging a South Sea island existence is simple. If the bureaucrats and other federal functionaries, including the judiciary, keep on with their directives and ideas in their insistence on shaping our likes and dislikes to conform to theirs, the only place one may find liberty is on an island you can call your own.

Living on an island could also prove to be a good thing financially. Not only would such a resident be able to save money thru the simple means of not having any place to spend it, but there is a good possibility of amassing great wealth thru the simple means of government grants.

It seems to be quite simple for countries to get money under the foreign aid program--any country, or any government. In the past few years there have been so many changes in governments, with new names popping up for old nations, that the clerks in Washington

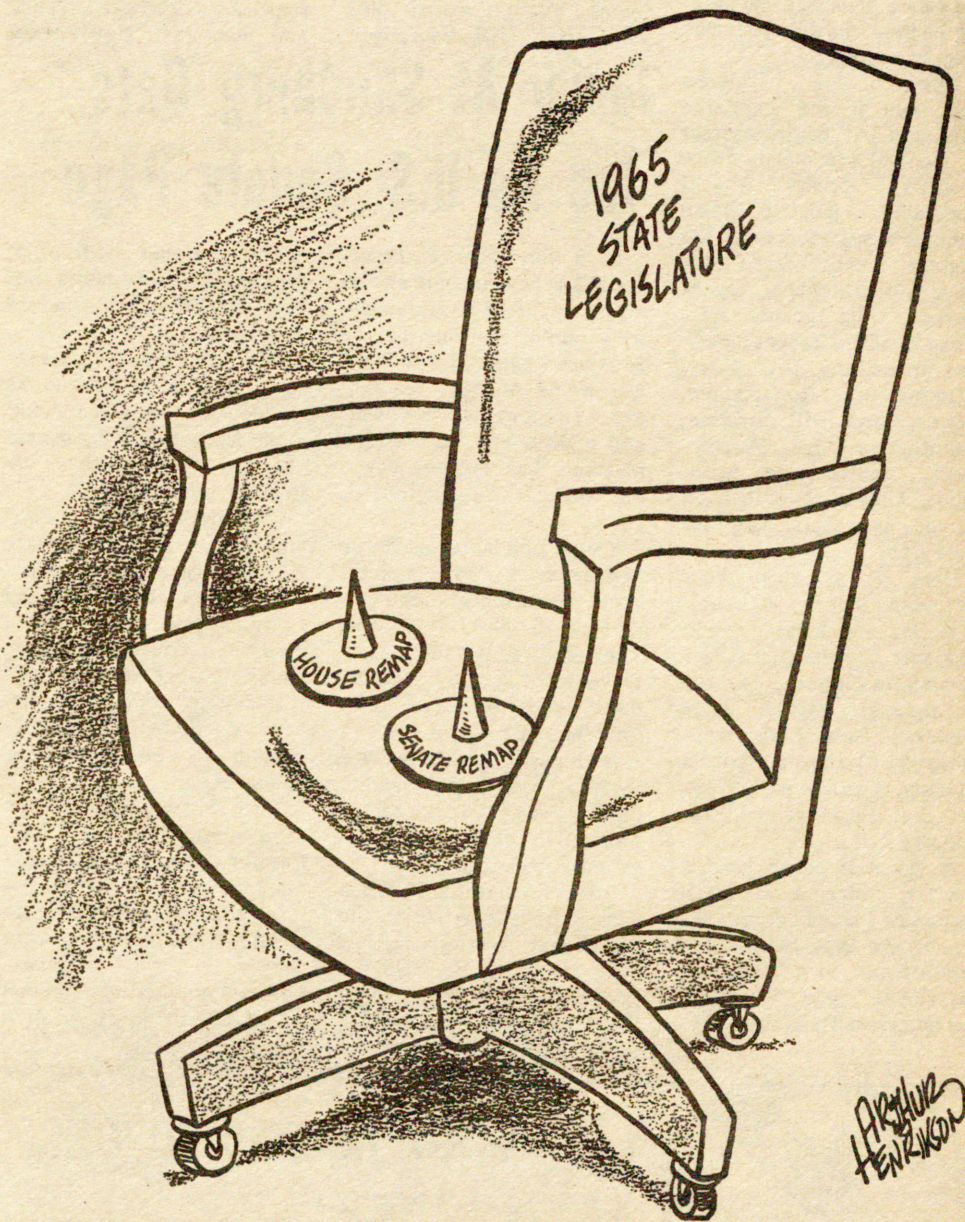

must have a difficult time in keeping the lists up to date.

IT IS NOT altogether improbable that when there have been several speedy changes of government no one really knows who is to get the money so they just bale it up at Washington and ship it to the port they used the last time with a card attached to the shipment--"Will Call."

Thus, if a person owned an island far out in the Pacific, he probably could get foreign aid. Understand, he might not be really eligible for it but that shouldn't make any real difference. It seems that a lot of aid, foreign and otherwise, is dished out in Washington to places and people who have little real claim for same.

Owning an island and drawing foreign aid would be a better thing than having five sets of quintuplets for income tax deductions. If the island owner had four children he could rank each as a department--the army, the navy, the marines and the air corps--and get grants for each under foreign aid. A dozen or so natives on the island would provide him with a backward populace in need of grants for schools and farming, and also serve as a standing army. He should be able to draw several million dollars just for

Health Dept. Gets New Head

Dr. Earl S. Leimbacher, president of the Will county board of health has announced that Dr. Herbert S. Miller has accepted the position of Will county health officer effective Aug. 1.

Dr. Miller will replace Dr. William J. Cassel, Jr., who will leave July 1 to take a position with the California state health department.

Dr. Miller has been the head of the Winnetka, Glenview, Kenilworth, Northfield health department since 1952. He also has a teaching responsibility in epidemiology at DePaul university medical school.

Dr. Leimbacher expressed the board's pleasure in getting such a well trained and experienced person to head up the county health department.

Dr. Miller is certified as a diplomat of the American board of Preventive Medicine and is past president of the Illinois Association of Medical Health Officers.

Railroad merger news is acitively in the news nowadays. The news of sale of 214,000 shares of Rock Island railroad common stock by Northwestern railroad and 100,000 shares of Rock Island by the Delaware Fund, a well known mutual fund.

The offering of Rock Island stock totalled 314,000 shares which was rather promptly distributed by a group of leading investment houses. The public offering was at \$30.50 per share with the Northwestern receiving about \$6,250,000 for its 214,000 shares.

The Northwestern has made a merger offer to the Chicago Great Western railroad and is in process of developing this angle.

The disposing of the holdings of Rock Island shares, came as a surprise to many, but some analysts pointed out that to finance several of these situations at the same time, can be quite a load. This might be especially true in this situation as the Northwestern's competitor to secure the Rock Island, the Union Pacific, had upped its offer for Rock Island common. Market value of the Rock Island shares went to somewhat more than the equivalent of the Union Pacific revised offer.

Northwestern railroad executives assert they continue an interest in the Rock Island and will vigorously prosecute their position before the I.C.C. The Northwestern filed its request to merge with the Rock Island, July, 1963, and board of directors of the Rock Island have recommended the mer-

ger with the Union Pacific.

Finally we have received the results of the special California commission to select devices for control of automobile exhaust fumes.

A few years ago the California legislature enacted legislation making use of such devices on new cars for 1966 and forward. Such devices to be installed prior to delivery to purchasers in California.

The law made use of such mandatory after at least two devices were approved in tests.

It is know that many hundreds of such devices have been tested and approval given to four such devices for new car installation.

Of the four accpeted, only the device produced by joint efforts of American Machine & Foundry and Chromalloy Corp., was approved for both new and second hand cars. It is an after-burner type with a new car cost of about \$33 and used car cost of about \$81. Used cars are given more time to add this equipment.

The other three devices approved, are produced by (WR) Grace-Norris Thermador, Walker-Cyanamid, and Arvin-Universal Oil Products.

It is pointed out that mandatory use in California will most likely be followed by other states and cities. Further, that firms with automotive equipment in enclosed areas will be interested as soon as such devices are in supply.

However, it is rather certain that motor makers will strive to produce their own device.

Miss Rebecca Hill, daughter of Mr. and Mrs. Meador Hill, 12747 S. 83rd Ct., Palos Park, has been named to study in England for one year under the Junior Year Abroad program. Miss Hill is a junior at Grinnell (Ia.) college and a graduate from Carl Sandburg High School.

In a letter to James Adcock, director of guidance, Miss Hill said that she will attend the University of Manchester from September through June. During her two month vacations, she plans to travel and study medieval architectural decoration.

Miss Hill said, "I am, of course, very excited about the whole venture -- and a little scared, too. But not scared enough not to go."

Course work will include Chaucer and Middle English, Jacobean Drama, a survey course in English Literature from 1700-1830, and either a drama course or a British history course. Miss Hill has starred in several dramatic productions at Grinnell.

In addition, she will be required to turn in an independent project, several essays, and a complete report of all lectures, museums, art galleries, plays and symphonies which she attends during the year.

The Junior Year Abroad program is sponsored by several colleges and universities in the United States and permits a few outstanding students to receive credit for work done at foreign schools. Participants must be recommended by their departments.

(Behnke photo)

St. Mary's Church Is Scene Of Studnicki-Troutman Nuptials

Church bells pealed at 3 o'clock the afternoon of May 9 for the marriage of Miss Elaine Patricia Studnicki to Lawrence William Troutman.

Rev. Cecil Koop, OFM, performed the double ring ceremony in St. Mary's church, Mokena, which united the daughter of Mr. and Mrs. Steve Studnicki, Rt. #1, Mokena and the son of Mr. and Mrs. Clarence Troutman, Rt. 2, Lockport.

Escorted by her father to an altar banked with vases of white gladioli and mums and a red bouquet of roses for Virgin Mary, the bride wore a gown of silk organza dramatized with white chantilly lace, cap sleeves, a

square neckline, a ruffled chapel train and elbow length gloves.

Completing her ensemble was a white pearl crown with white organza bow attached to a finger tip illusion veil. She wore a three strand pearl necklace, a gift from the groom. She carried a dozen and a half white roses which was make to look like one large rose, edged with blue tulle.

Judy Kuckenbecker sang several appropriate selections.

Miss Barbara Zbylski acted as maid of honor. She preceded the bride up the aisle wearing a gown of powder blue silk with chiffon drape, powder blue picture hat and shoes and carried

white mums with powder blue tulle and ribbon streamers.

An identical ensemble was worn by Mrs. Judith Schuelke, bridesmaid.

Clarence Troutman performed the duties of best man for his brother. Roger Hobenicht served as attendant and David Schuelke as usher.

Guests were greeted by the newlyweds at a reception held at Midway Hall in Chicago. A complete dinner was served to 150 guests and dancing followed until 1:30 a.m. For her daughter's marriage, Mrs. Studnicki selected an ensemble of pink crepe with chantilly lace top, matching accessories and wore a corsage of pink and white roses. Mrs. Troutman, mother of the groom, wore a light blue silk dress with white accessories and a corsage of white roses.

Honored guests were the grandparents, Mrs. Alvina Jasalsky, Mrs. Mattie Troutman and Walter Studnicki. Both grandmothers wore white carnations and Mr. Studnicki, a white boutonniere.

For a wedding trip they motored thru Canada and the Northeastern states. They will reside at Boston Road, Groton, Mass.

Troutman is serving with the U. S. army at Fort Devon, Mass.

At Ill. Tech

Templin-Bormet

Repeat Vows At Candlelight Service

Trinity Lutheran church, Tinley Park, was the scene of the recent wedding of Judith Lillian Templin, 17217 - 67th ct., Tinley Park and LeRoy Harold Bormet.

The Rev. A. C. Pfothenauer performed the double ring ceremony at an impressive candlelight service.

Soloists were Mr. and Mrs. Richard Hedke, Kingston, N.Y., sister and brother-in-law of the groom, Miss Joanne Oranec, college friend of the bride, was the Organist. Pastor Edmund Nieting of St. John's Lutheran church, Island Lake, Ill. gave the address.

Judith is the daughter of Mr. and Mrs. Jerome E. Templin, 222 Minerva ave.,

Park Forest Clubs To Hold Flower Show

Tickets are 75¢ for adults and 10¢ for children.

All horticulture, from annuals to vegetables, including house plants and roses is eligible for entry. Entries may be made June 27 from 8 to 11 a.m.

Persons interested in more information on horticulture may call Mrs. Gordon Myers, PI8-1524; house plants, Mrs. G. B. Moody, PI 8-5725; artistic arrangements, Mrs. Willis Ryza, PI 8-2117; juniors, Mrs. Dean Harrison, PI 8-4191.

Wauconda, and LeRoy is the son of Mr. and Mrs. Henry C. Bormet, 94th ave., Orland Park.

The bride's gown of white organza over a peau-de-sole sheath, was styled with a scoop neckline and long pointed sleeves tipped with lace. A lace panel graced the front of the gown and the bodice was adorned with pearls. A peau-de-sole bell-shaped overskirt with a short train and a chapel length veil caught to a single rose completed the ensemble.

Her only jewelry was a silver cross, a gift of the groom. Her bouquet was a cascade of white roses, hyacinths and ivy.

The matron of honor, Mrs. Kenneth Gundlach, twin sister of the bride from Kingston, N.Y. and the maid of honor, Miss Linda Forster, Bay City, Mich. wore apricot taffeta peau-de-sole sheaths with long bell shaped overskirts, scoop necklines and elbow length sleeves. Their headpieces were a single apricot peau-de-sole rose with a circle veil. All the attendants carried cascades of apricot roses and white hyacinths.

The bridesmaids, Miss Fritz Bingenheimer, Buf-

falo, N.Y., Miss Arlene Riske, Tigerton, Wisc., and Miss Marilyn Leins, New York City, N.Y., wore yellow versions of the honor attendants' gowns.

Holly Frundle, 5, the flower girl, wore a short yellow organza dress and carried a colonial bouquet of apricot roses and white hyacinths. Timothy Hentsch, 7 year old cousin of the groom was ring bearer.

Dennis Bormet, Orland Park, was his brother's best man. Earl Bettenhausen, Tinley Park; Arthur Bormet Orland Park; and Warren Schultz, Tinley Park; served as attendants.

For her daughter's wedding, Mrs. Templin chose a pale peach crepe sheath. Her hat and purse was brocaded silver and gold. Mrs. Bormet wore a sky-blue silk sheath with matching purse and shoes and a white organza hat. Both mothers' had white orchid corsages.

Following the wedding a reception for 200 guests was held at Silver Lake Country club.

WSCS Will Hold Annual Picnic At Bickel Home

MRS. KATHARINE HEISNER
Telephone: 469-5187

The general meeting of the WSCS was held at the local Methodist church last Tuesday evening in Fellowship hall, with Mrs. Joseph Karkos, president, presiding. This was the last meeting until fall. Twenty-eight members attended.

An announcement was made of the annual picnic to be held at the home of Mr. and Mrs. George Bickel on route 30, beginning with a potluck dinner at 11:30 a.m. on Tuesday, July 21. Bring a dish and meat (hamburgers or wieners if preferred) and your own table service.

The next WSCS meeting will be held Tuesday, Sept. 15 at 8 p.m.

Hostesses were Mrs. Arthur Borg, Mrs. Dwight Nicholson and Mrs. Walter Grotewold.

The adult choir of St. Peters church enjoyed a social evening after the usual Monday evening choir practice which was held at the home of Mr. and Mrs. Albert Krusemark last Monday evening. Refreshments were served.

Last Thursday afternoon, Mrs. Krusemark, choir director of the Choralettes, entertained the members at her home where they enjoyed a splash party and later a wiener roast.

The Frankfort Methodist church Sunday school picnic will be held June 28 at the Leonard Patterson home with classes at 9:15 a.m. for children in 1st thru 6th grade. All other children of the Sunday school will join them after the church service for a potluck dinner at noon. Each family is requested to bring a covered dish, table service and table and chairs if desired. Games will be played after dinner.

The St. Peters United Church of Christ will have their annual church picnic beginning with an outdoor worship service in VanHorn woods at 10:30 a.m. At noon a potluck dinner will be enjoyed by all. Bring dishes of food to pass and your own table service. Games will be played after dinner.

Mr. and Mrs. Ransom Orange and son Charles of La-Grange, called on Mr. and Mrs. Edgar Lund last Wednesday afternoon. They were returning home after attending the graduation exercises of their son Robert, at Urbana.

Mr. and Mrs. Arthur Kampe entertained about 30 relatives and friends at their home following the graduation of their daughter Betty, one of the class at Joliet Jr. college.

On Wednesday evening, his cousin and family, Mr. and Mrs. Raymond Stockman of Tucson, Ariz. arrived at their home for a visit.

On Sunday, the Kampe and Stockman family attended the St. John's Ev. Lutheran church in Country Club Hills where the latter's daughter Sherri Lynn was baptized and Betty Kampe was one of the sponsors. Later, they were all dinner guests

of Mr. and Mrs. Gustav Stockman at Tinley Park, the paternal grandparents of the baby.

Mrs. Charles Bell is convalescing at home, after being a medical patient at Silver Cross hospital.

Mr. and Mrs. William Batson and son Larry spent the weekend with Mr. and Mrs. Herbert Bixler and daughters in Three Rivers, Mich. In observance of their com-

bined 18th wedding anniversaries (Bixler's on June 20 and Batson's on June 29) they dined out.

Mr. and Mrs. Harry Miller, daughter Lorna and Katharine Heisner, were dinner guests on Sunday of Mr. and Mrs. Roger Corp of New Lenox. They had a steak fry to celebrate Fathers Day. Other guests were Corp's parents, Mr. and Mrs. Royal Corp and daughter Connie.

Still Need Teachers To Complete Sandburg Staff

The High School District 230 staff for the 1964-65 school year is beginning to

take shape, according to W. O. Fisher, superintendent of schools. Hiring has been

complicated by the opening of Stagg High he said. Seventeen teachers will

not be returning for the next year, about 15 per cent of the total staff. This is the average turnover in the suburban area.

Reasons for leaving the district were varied. Six were married and seven resigned for personal reasons (transfer of husbands, pregnancies, etc.). One will teach at a university next fall, another is on a leave of absence, one will attend school and one received a promotion.

G.W. Davidson, principal of Carl Sandburg high school, said that he still needed about six more teachers to complete the staff.

Stagg high, which will have a staff of about 17 next fall, still needs "a couple of teachers," according to Ray Bentz, principal.

Mrs. Margret M. Keswick is one of the teachers who has been hired for the coming school year. She has three years' experience and has taught English at Quincy senior high school for the past three years. The Keswicks have three children.

Miss Rosemary Rosich has been hired to teach social studies. A native of Chicago, Miss Rosich graduated from St. Xavier college this spring. She has 32 semester hours of credit in social studies.

Distaff Golf

BY BIRDIE McDIVOT

The divots were flying further than the balls last Thursday during the Willow Run Women's Golf club games. All in all we had some very good scores: Helen Churchill had a 36 net; Esther Hug, a 41 net; Charmaine Sondergaard, a 41 net; Dorothy Loucks and Grace Mitchell tied for 4th place with a 45 net; (this is the 3rd time that Grace has tied) and Bea Olson had a 46 net to win a golf ball. 5th and 6th winners each received a golf ball this week. Enthusiasm has been running high since the awarding of golf balls each week and the posting of scores. It proves that everyone loves competition and it makes the game more exciting.

Last week a group met in the Club House after playing and enjoyed some chit-chat over glasses of ice tea. We are discussing a match team game in the near future.

Annual Chicken Dinner At St. Jude's June 28

MRS. DELORES ANDERSON

Telephone: 485-3651

The Holy Name Society of St. Jude's Catholic church will sponsor its annual chicken barbecue dinner, at St. Jude's, rain or shine, Sunday, June 28. Serving will be held from 1 to 5 on the church grounds, weather permitting. In case of rain,

it will be held indoors.

Tickets for adults are selling at \$1.50, and .75¢ for children under 12. There will be carry-outs available, and there will also be entertainment, with folk singing, and a regular afternoon hootenanny.

- o -

Fr. Lewis, pastor at St.

Jude's church has been critically ill at St. Joseph's hospital in Joliet, and his condition is somewhat improved, altho no visitors are allowed.

- o -

The Misses Arlene Otis, Dotte Jean Anderson, and Dee Emory, left early Saturday morning for a ten day motor trip thru Colorado.

- o -

Mr. and Mrs. Clyde Wilmoth, 119 Robert street, entertained at a family picnic honoring Mr. and Mrs. James Wilmoth who are visiting here from Los Angeles, Calif. Guests were, Mr. and Mrs. James Wilmoth, Mr. and Mrs. Darrell Wilmoth, Alan, Laura, Steve and Ken; Mr. and Mrs. Walter Wulff, James, Kathy, Scottie; Mrs. Hattie Flemming, Mrs. Robert Stockley and Sandy and Marc; and Mr. and Mrs. Wilmoth and Terry, Sherry and Larry.

COST OF ELECTIONS

Running for office is expensive. In 1960, the national elections cost the 2 political parties, their candidates and supporters, an estimated \$20 million. Of this \$14 million went for radio-TV time, and members of each party spent at least \$1 million on campaign buttons, lapel tabs, bumper stickers and similar materials.

But it's not expensive to your business if you elect to tell folks about the result - getting Graphic newspapers Classified Ads. Phone today and put your sales message before 80,000 reader-consumers.

Margie Olson Now A Good Will Ambassador

A Mokena high school girl has arrived in Japan to be an ambassador of good will from America.

Seventeen-year-old Margie Olson, a junior at the Lincoln-Way high school arrived in Japan last Thursday via Japan Air Lines jetliner.

Margie's ocean-spanning sojourn is an outgrowth of a cultural activity sponsored by the Lions club of Frankfort, New Lenox and Manhattan. Each year since 1958, Lions District 1B has selected a local youth worthy in character and intention to represent their foreign exchange student program. In conjunction with the American abroad Scholarship committee of the high school, the Lions exchange committee has chosen an applicant for the annual assignment in international friendship.

To further foster international understanding, the Lions arrange to bring over a Japanese student each year to live with a local family. This year two will come to

live with Mokena families and attend school with Margie, back by fall from her experience in Japan.

Margie is with the Maeda family of Hitoyoshi in Kumamoto prefecture and shares in their family life. Her close friend is the Maeda daughter Michiko, also 17 years of age.

Accompanying Margie in the fall on her trip westward from Japan around the world and back to Mokena is Hisako Iwamura of Hashima in Gifu prefecture. She is one of the two students selected by the local American and Japanese Lions clubs. For one year she will live with Dr. and Mrs.

Joseph Petnuch, at Mokena, and daughter Pamela, the same age as Hisako.

The other student is Minoru Ueda, a boy from Kadoma-Osaka who will live with Mr. and Mrs. Wendell Hamilton and son Tom, the same age.

According to Lions official Grant Geuther of

Frankfort, Margie's zeal is typical of that shown by all the young ambassadors that preceded her. He stated, "Margie is a B plus student, well-liked, busy in school activities and will be a credit to us and herself during her stay in Japan."

In her winning application to the committee, Margie wrote, "I hope that, living in a home with a family (abroad), I might convey the

feeling of an American in his natural state, settled and working with other members of the family. I want to make the people glad they supported the exchange program." She added, "One often hears of American students as ambassadors of good will. I want to be just that. I want to be a credit to my family, my school, my community, and my country."

Our worst storm damage since 1948

(The Commonwealth Edison-Public Service system thanks you for your patience)

Following the storm, telephone switchboards all over our system were jammed—if your call was delayed, or you couldn't get through at all, we sincerely say "we're sorry."

The severe thunderstorm that lashed this area last Friday night affected thousands of our customers.

Electric power was lost for them as the storm cut a 50-mile path of destruction. In our storm zone, there were 3,000 instances of broken wires, mainly caused by falling trees and broken limbs; 350 of our transformers were knocked out of service and 17 transmission line towers went down in hurricane force winds! Restoration of our electrical equipment will cost more than \$800,000.

We not only marshalled all of our own regular and emergency manpower and equipment resources but sent out an S.O.S.

to neighboring utilities and private contractors for help. They responded immediately—from as far away as Decatur, Peoria, Urbana, Rockford and Danville—from Fort Wayne, Indiana, and Cedar Rapids, Iowa. Under experienced direction, all crews were concentrated in the trouble zones and by working round the clock succeeded in restoring service. By Saturday morning, most of those interrupted were restored. We regret that others suffered longer delays.

To those who worked tirelessly, we are grateful—and to you, our customers who were inconvenienced, our thanks for your patience in this emergency.

Lutherans Act

To Meet Growth

Of District

Among the 398 voting delegates at the convention of the Northern Illinois District of the Lutheran church—Missouri Synod—in session at Chicago this week were the Rev. Dr. A. J. Bueltmann and Walter W. Welsch who represented Immanuel Lutheran church of Mokena. The convention, which has been in session four days, will adjourn this evening.

The convention approved administrative adjustments and area reorganization which were compelled by burgeoning growth within the district. The assembly also approved a motion clearing the way for establishment of a full-time presidency.

Executive Secretary of missions, the Rev. Louis W. Schuth, reported on intensive developments in the mission endeavors of the group in northern Illinois. Missionaries serve public institutions throughout the area, and the district subsidizes new congregations and older churches affected adversely by shifting populations. The convention approved subsidization of several new churches and missionaries in the inner city area.

The district has created the post of executive secretary of youth and authorized the board for Young Peoples' Work to find a candidate for the post.

Cub Scouts Put In Busy Day On Trail--Touring

MRS. EMIL WILLE
Telephone: 469-5277
The Cub Scouts of Pack 237 and adults went to Swift and Company research farm

south of Frankfort last Saturday. William Smith, manager, took the group on a tour of the farm.

From there the pack went to Flossmoor where they toured the fire department, conducted by fire chief, Jack Brooks. The boys sat in the fire trucks, viewed the latest fire equipment and were treated to soft drinks following the tour.

The boys then visited the Flossmoor police department where they were taken on a tour by police chief Clifford Pauling, who showed the boys weapons used by the policemen and finger

printing equipment. The boys were also allowed to sit in jail cells.

Thirteen scouts attended the outing with the help of Bud Scheeler, Erdic Dickens, Bob White and Jerry Kovar. The group returned to the home of Jerry Kovar and enjoyed a wiener roast. Hostesses were Mrs. Jerry Kovar and Mrs. Bud Scheeler.

The monthly meeting of Pack 237 will be held June 26 at Ann Rutledge school at 7:30 p.m.

The visiting Pottowatomí Indian troop of Forest Ridge consisting of Cub, Boy and Explorer scouts will provide the entertainment program. The public is invited.

Thanks are extended to Mrs. Mary Kovar for her musical assistance at the piano during the meetings.

Mr. and Mrs. John Semankovich entertained at dinner Sunday evening in honor of their daughter Susan, who had graduated recently from St. Mary's school, Mokena.

Guests were Susan's grandmother, Mrs. Mary Steck and Mr. and Mrs. Steve Steck and family, Mr. and Mrs. S. E. Kubeck and family, Mr. and Mrs. A. J. Thompson and family and Mr. and Mrs. R. Mantel and daughters of Frankfort, Mr. and Mrs. Frank Steck, Mr. and Mrs. Philip Steck of Harvey and Mr. and Mrs. S. J. Stokes stopped in for a visit on their way to another graduation.

On Saturday, Susan Semankovich and Susan Paska attended a party at the home of Jewel Hamilton at Mokena.

Mrs. Edward Nicholson and children spent the week-

end with her aunt and uncle, Mr. and Mrs. Elmer Haberlin at Lowell, Ind. On Sunday a family picnic was held in honor of Mr. Heberlin's father, Charles Haberlin, who celebrated his 86th birthday. There were about 25 guests present.

Linda Wheeler took part in a dance at Wilmington put on by the Minuth School of Dance.

Mrs. Emereth Boyden has returned from a visit with her niece, Mrs. James Tucker and son Don at Woodbury, Tenn. They took a trip to the Smoky Mountains and thru North Carolina. Mrs. Tucker and son returned home with Mrs. Boyden and remained here for about a week.

Susan Semankovich, a member of Girl Scout troop No. 379, attended a picnic at Frankfort park. The Frankfort boy scout troop were guests of the girl scouts. A cookout was held and games were played.

The Wayfarers Club of Mokena, of which Mr. and Mrs. Emereth Boyden are members, celebrated Fathers Day by having dinner at the Lakewood Country Club at Dyer, Ind. on Sunday. The ladies treated the men.

Jerry John McLean of Gary, Ind. is spending a week with his grandparents, Mr. and Mrs. Emereth Boyden.

Cpl. Warren Wilson, son of Mr. and Mrs. Paul Wilson, arrived home Friday for a furlough. On Saturday a family gathering was held in his honor. Guests were relatives from Tinley Park

and Mokena, also Mr. and Mrs. Louis Froemel and Mr. and Mrs. Leroy Martensen of Orland Park; Mr. and Mrs. Charles Scheeler, Mr. and Mrs. Robert Seamon and Mrs. Viola Smith.

After his leave, Cpl. Wilson will go to Quantico, Va. where he will attend officers training school.

Mrs. Cal Heath Sr. has returned home after spending about three weeks with her daughter, Mr. and Mrs. Peter Koolman and family at Whitewater, Wis. She went to help with the new baby, a nine lb. boy, Larry Wayne, born June 2.

J. A. WARD

WILL YOU NEED A LICENSE - FOR THE JOB YOU CHOOSE?

More than a hundred nonprofessional occupations are currently licensed by one or more states and a few others by the Federal Government. The trend is toward regulation of entry into more and more skilled and unskilled jobs.

PURPOSE OF LICENSING.

A license has been defined as authority to do some act or carry on some trade or business, considered lawful, but prohibited by statute except with permission of civil authority. Occupational licenses are issued to safeguard the life, health, safety, welfare and property of the citizen. These licenses permit only qualified members of an occupation to carry on their work. Regulation by license helps to shield the public from the incompetent worker or from fraud.

GROWTH OF LICENSING.

By the late 1800's, specialization of professions and occupation was becoming the order of the day in the United States. Doctors and lawyers were among the first professional groups licensed. The quack doctor with his Indian herbs and the ill qualified frontier lawyer were early targets for public disapproval. A demand sprang up for limiting entrance into these professions to qualified persons. The nonprofessional was also coming under the critical eye of the public. First entries in the list of licenses for nonprofessional workers were made in 1880's and 1890's. That list is still growing. The fact that at least one state now considers LICENSING AUTOMOBILE MECHANICS is just one example of the continuing interest in establishing skill and educational criteria for occupations affecting public safety and welfare. Public demand has not been the only pressure behind the tide of license growth. Members of occupational groups through their formal associations, have often been instrumental in getting licensure bills through their state legislatures.

While most licensing comes from Federal and State authority, many cities, towns and counties have their own licensing provisions. Where but in Wyoming would an airplane pilot need a license to hunt horses by air? Booklets are available listing and licensed occupations. These booklets list the academic training as well as experience required. It might be well before you decide to go into some new field of employment to first check if a license is required and if so, can you meet the academic and experience needed to get your license?

Pick Omland For Mokena Park Board

At the organization meeting of the Mokena park board the vacancy caused by the resignation of George Carlisle was filled and officers elected to serve for the current year.

Arthur Omland, who was former head of Boy Scout work in the community for many years, was appointed to the board to take Commissioner Carlisle's place. Mr. Carlisle resigned because he is moving to the west coast. He was formerly identified with the Welsch Lumber Co.

In the annual election of officers Charles Swanberg was re-elected president; Edwin Yunker, vice president; Mrs. Florence Niethammer, secretary, and Omland was chosen as treasurer.

Will Tuttle was awarded the job of extending the lighting in the shelter house area. The project was to cost approximately \$150.

The park district is operating its annual summer recreation program.

Music Parents To Have "Shirt Sleeve" Dance

Plans are being completed for a just-for-fun "Shirt-sleeve Dance" sponsored by the Carl Sandburg music parents, Robert E. Smith, president, announced this week.

The dance is to be held at the Palos Country club Friday, July 10, beginning at 8:30, with music by the Carl Sandburg dance band. Entertainment will be provided. Tickets are \$1 per person.

Heading the planning committee are Mrs. Dale Paulus and Mrs. Robert Moulton. Ticket chairmen are Mrs. Herbert Clyne, Palos Heights, Mrs. Leslie Wiles, Palos Park, and Mrs. Paulus, Orland Park.

Storm Puts Assessor In Village Hall

The Cook county assessor's mobile office - a trailer - was in Orland Park this week but not in use. Last Friday night's near tornado overturned the trailer and left its contents a mess.

But the assessor's staff salvaged what was needed and moved into the Orland Park village hall on Beacon st., where property owners may call. The staff will remain at Orland Park until July 3, according to Township Assessor Paul Quinn, to furnish information relative to valuations and answer such other questions as homeowners may have.

The hours will be from 9 a.m. to 5 p.m., Quinn said. The trailer was to have been parked at the Shopping Plaza but the high winds found it in its parking space last Friday night and turned it over. As of Tuesday it was still lying on its side.

SMASHED by falling tree was the fate of this vehicle that was parked behind the fire station when the storm hit in Orland Park last Friday night. The car roof was caved in. The vehicle is owned by William Grove, Wabash stationmaster.

Willy Wilson, Ft. Meyers, Fla. used his many years of racing experience to wrest a feature win at Joliet Memorial Stadium, Saturday, June 20, in the United Auto Racing Ass'n. midget program.

Sandburg HS Student Wins Coveted Post

A Carl Sandburg senior has been selected as one of the 50 to participate in the 1964-65 astro-science workshop program at Adler Planetarium and Astronomical museum. He is Robert (Robin) Petersen of 12612 S. 73rd ave., Palos Hills.

In making the announcement to Supt. W. O. Fisher, J. Allen Hynek, director, said, "You and your school are to be greatly congratulated" on Petersen's selection. The group will meet for the first time in September.

"If you have ever served as a judge in a selection where all contestants were almost equally qualified, you will know what the scientists faced in choosing 50 students out of 300 of the Chicago metropolitan area's most gifted students," Hynek told Fisher.

Petersen has spent the past year as an exchange student in Mannheim, Germany.

Backing Auto Injures Child

A 19-month old boy was injured Sunday evening about 6:20 o'clock when he was struck by a car backing out of the driveway at the youngster's home, 9325 Oak st., Orland Park.

The boy is Michael Blahha and the driver of the car was his father, John Blahha.

Police Officer Jerry Monett, who was called to the scene, notified the fire department and the child was taken to Christ Community hospital where he was held for treatment and observation. The youngster had numerous abrasions and bruises, it was said, but apparently was knocked aside when struck and escaped having been run over.

ished with six cars 'under a blanket'. Allen Blackwell, Palo Alto, Cal., captured the consolation event.

Kindergarten Classes To Be Started Aug. 31

MRS. EDWARD HOVI
Telephone: 479-5740
The ARbury Hills Kindergarten Organization held their meeting at the school on Tuesday, June 15, at 8:30 p.m.

There was a discussion of the field trips for the kindergarten class for the coming year.

The opening of school and kindergarten will be Monday, August 31.

The hostess for the next meeting will be Mrs. John Hayden, who will serve at the August meeting, since there is no meeting scheduled for the month of July. The August meeting will take place at the school on August 17, at 8:30 p.m.

The kindergarten organization will also receive the proceeds from a party, which will be held in the near future by Mrs. Edward Blecha. The date and address will be announced.

The Arbury Hills baby sitters cooperative will have their secretary's book change hands on Wednesday, July 1, from Mrs. Richard Helm to Mrs. Edward Hovi, who will act as secretary for the coming month.

Any member of the group who needs a sitter after next Monday, should contact Mrs. Hovi at 479-5740 at least twenty-four hours in advance of the date needed.

The organization is comprised of a group of women who exchange baby sitting on a one-for-one basis regardless of the number of children involved.

If there are any mothers in Arbury Hills who would be interested in joining the group, please contact Mrs. Hovi at the above telephone number.

Parents night at Arbury Hills Teens Club was held on Monday evening, May 18.

Parents attending were: Mrs. Smith, mother of Sue

Smith; Mrs. Banaim, grandmother of Terri Homer; Mrs. Kieskowski, mother of Donna and Bill Kieskowski; Mr. Sandy, father of Richard Sandy; Mrs. Donavan, mother of Terry Donavan; and Mrs. Mederich, mother of Roberta Mederich. Mrs. Been and Mrs. Doogan were

unable to attend, because of farming duties.

The Danny Thomas Leukemia March had netted \$76.12 in Arbury Hills. There was also an entertainment committee formed: Ed Hoover, Nancy Rose, Harry Seala, Sue Smith, and Richard Been.

The entertainment committee held a meeting at the home of Harold Fitch, the adult adviser, on Monday evening, June 8. The committee decided that there should be a baseball game followed by refreshments and dancing at the June 15 meeting.

The new members signed up recently were: Ed and Bill Hoover, Chuck Durbin, Roberta Mederich, David Homer and Phil Keto.

On July 20 the boys of the Teens Club will play a baseball game against the boys of the Tinley Park club.

The future disposition of the Teens Club is in jeopardy. Due to the lack of cooperation and enthusiasm and willingness to work on the part of the youngsters, the Teens Club may have to be disbanded. It is impossible to carry on an organization, it was pointed out, when one cannot be heard

above the clamor of voices. Without better cooperation in these matters, there will be no Teens Club in the future, it was indicated.

The Teens Club wishes to bid a special thank you to Mrs. Donavan who has shown phenomenal patience with the young people, and to Harold Fitch, who is the adult advisor to the group. Both of these adults have been attending all of the meetings. This cuts into their leisure time considerably, but their generosity is foremost among their qualities.

Edward R. Williamson of 19502 S. Poplar st., Arbury

Hills, has joined the John R. Kalb Chicago agency of the State Mutual Life Assurance Co. of America as a sales representative.

Williamson has attended Iowa Wesleyan, Thornton Jr. college and Roosevelt university. He has served in the US Navy. He is a member of the Arbury Hills Civic Association and the Will County Young Republican Club. Williamson is married and the father of three children.
